

SOCIAL SKILLS ...AND BEYOND!

This very interactive full day professional workshop is designed for schools and front line workers who have attended our Creating a Bully Free School & Classroom workshop and have been using our Social Education Skills program. In this session they will learn more easily implemented teaching strategies to assist building their students' relationship skills and emotional skills.

The following topics are covered:

- ✓ Implementing social skills education into the classroom
- ✓ Recognizing and preventing bullying
- ✓ Familiarity with Bullying Prevention Resources
- ✓ Key Elements for creating socially responsible children
- ✓ Understanding Emotion Cards and Virtue Cards
- ✓ Sample lesson plans to help integrate social skills into the curriculum
